Faculty Committee Meeting
Meeting Minutes

Date : 20.05.2024 **Ref:** DIU/FE/FCM2403
Time : 12:30 PM – 01:30 PM
Venue : Meeting room of DIU Central Library

The meeting was chaired by the Dean, Faculty of Engineering.

Sl.	Agenda	Decision
1.	Semester completion observations	a. Departments shall follow the rules handling the students with attendance < 60%. b. Heads shall pay extra attention in Grading to avoid abnormal trends. c. In group work, the course teacher shall form groups by student ID instead of free choice of group members by the students. d. Faculty shall insist HR to appoint GED teachers in time so that the teachers get enough time to prepare for the classes before the start of the semester. e. Department shall propose a policy to deal with late registration issues.
2.	Short semester issues:	
	a) Presentation to chairman BoT	a. The department nominated person shall improve the presentation and practice at least twice before being ready for a presentation before the authority. b. FE shall seek a date from the chairman for this presentation in mid June 2024.
	b) Registration issue	a. Class commencement schedule for Fall 2024 shall be sent to the admission section. b. Courses shall be registered separately under Short semester. The results shall be published against the Short Semester. c. No semester fees shall be charged for short semester registration. However, if a student is registered for certain courses or Retake courses, the relevant fees shall be paid as per the course fee with waiver (if any). d. This proposal shall be sent to the Registrar office to accommodate Short Semester in the software.

3.	Lab related matters:	
	a) Lab compliance report	a. The lab faculty should present the findings of the report in an oral presentation.
		b. The following committee shall evaluate the report after the presentation i. Prof. M R Kabir ii. All Heads and Associate Heads, FE iii. Associate Dean, FE
	b) Report on shared labs	a. The Dean, FE office shall be responsible for lab resource sharing by keeping the records of lab usage by each department. b. Asst. Registrar, Mr. Milan Hossain shall coordinate and maintain the record of lab usage.
	c) Lab teacher recruitment policy	Associate Dean shall finalize the policy in consultation with Prof. M. R. Kabir (Future DIU) and the Heads.
4.	Theory class size	A proposal for class size (labs and theory) shall be prepared by the Associate Dean in consultation with the Heads and Prof. M. R. Kabir (Future DIU).
5.	Miscellaneous	a. The Department of ICE has updated their Industrial Advisory Panel (IAP).

As there were no other points to discuss, Dean ended the meeting with a vote of thanks to all participants.

Date : 21-Apr-2025
Time : 11:30 am - 02:00 pm
Venue : Conference room, Dean Office, FE.
The meeting was chaired by Prof. Dr. M. Shamsul Alam, Dean, FE.

SL.	Agenda	Decision
1.	Engineers Day Celebration, Progress Report by the departments	**Central Programme:** 1. A rally with a themed banner will be held from EC to AB4. 2. A formal session with the participation of guests, faculty, students, and alumni. 3. BIDA Chairman, Mr. Chowdhury Ashik Mahmud Bin Harun, will be officially invited. 4. Video presentation titled "Life Without Engineers" shall be presented. 5. Guest luncheon is arranged. 6. Project exhibition featuring top student work. 7. All speeches must align with the Engineers Day theme: 4IR and Micro-credential Opportunities. 8. Final matches of inter-department football and cricket. 9. Guests shall visit projects showcasing by the departments. 10. Budget proposals are due by April 22-23. 11. Registration fee for students is determined to be 100/- each. This fee shall partially cover for lunch and T-shirt. Faculties shall contribute fully for the lunch and T-shirt costs. Final registration deadline: April 27. 12. Invitation letter to be drafted by Md. Taslim Arefin (Event Committee Chair). 13. All departments to highlight IR compliance practices. 14. Action plans to be submitted to the Dean's Office by April 22. **Departmental Programmes:** **1.Arch:** Shall select projects for showcasing from a submission of 10 best projects/semester. Shall present two 2 thesis submissions. Invited guests shall participate in the round table. **2.EEE:** Programs include project competition, programming contest, software-based circuit contest, capstone display, sports **3.TE:**

		Activities include the decoration, invite BUTEX chairman, 2hr career talk, top 10 projects by May 5, faculty tournaments **4.CE:** For project showcasing, 5 top projects shall be selected by a competition. A renowned DUET faculty shall be invited for 4IR talk. An open discussion shall be arranged for invited industry personnel, alumni and senior students. A quiz competition is designed for students on tech/4IR. **5.ICE:** Programs include 4IR presentation, project submissions, alumni talk, round table. Industry persons shall be invited from GP/Cyber Security/BUET/CUET.
2.	Short Semester Preparation	**ICE:** Plans include field trip, industrial training, capstone, ICT Olympiad, exhibition. **CE:** Shall follow a similar plan for the short semester. **EEE:** Plan includes retake courses, capstone projects, industrial training. Besides, the final exam for one batch shall be held late during this period. **TE:** Retake and industrial section programme will be focused. **Arch:** Not attending short semester Planning drafts for Short Semester 2025 shall be submitted to the Dean, FE office by 31-May-2025.
3.	Preparation for TE accreditation visits, updates	The visit is rescheduled for November 2025. All departments must maintain active preparation and documentation for smooth execution. The concerned team from IQAC shall assist in this regard.
4.	Miscellaneous	3-minute walkthrough observation form has been modified and shall be returned to the VC office for necessary action. No requirements for full time recruitment of GED faculties are placed during this recruitment so as to avoid teaching load problems created by parallel trimester and bi-semester systems. Department of ICE has updated their Industrial Advisory Panel (IAP)

As there were no other points to discuss, the Dean (Faculty of Engineering) ended the meeting with a vote of thanks to all participants.
