Subject: Request for Student Industrial Visit to Somoy TV on 24th July 2025

Dear Sir,

Greetings from the Department of Information and Communication Engineering, Daffodil International University.

I am writing to seek your kind approval for arranging an **Industrial Visit to Somoy TV** for a group of our students, as part of their academic enrichment and industry orientation. The visit is planned for **Thursday, 24th July 2025**, and will include **11 undergraduate students** along with a few faculty members.

Somoy TV, being one of the most prominent and technologically advanced media organizations in Bangladesh, represents an ideal platform for our students to gain firsthand exposure to broadcast operations, production workflows, and the implementation of modern communication technologies in the media industry.

We believe this experience will significantly enhance their practical knowledge and understanding of the professional environment. All students and faculty members will maintain proper discipline and comply with your organizational protocols throughout the visit.

We would be sincerely grateful for your kind cooperation and look forward to your positive response at your earliest convenience.

Thank you for your time and consideration.

Sincerely,

Md. Taslim Arefin
Associate Professor and Head
Department of Information and Communication Engineering
Daffodil International University
