Daffodil International University

Department of Information and Communication Engineering

Proceedings of the 1st Meeting with the Industrial Advisory Panel

A meeting of the Department of Information and Communication Engineering with the members of the Industrial Advisory Panel was held as per the following schedule:

Date: 18th March, 2023 (Saturday)
Time: 11.00 am
Venue: Conference Room, Department of ICE
Chair: Head, Department of ICE

The meeting commenced with a warm welcome from the Head of the Department, who thanked all industry experts for their valuable time and continuous support in strengthening academia-industry collaboration. The following agenda items were discussed in detail, and the corresponding decisions and responsibilities were recorded as follows:

Serial No.	Agenda	Decision	Responsible
01	Introduction of IAP Members and Terms of Reference	The Head welcomed the members and introduced the newly formed Industrial Advisory Panel. The Terms of Reference were presented: the panel will meet at least twice a year and advise the department on curriculum, industrial attachment, industrial visits and capstone projects.	Head, Department of ICE
02	Review of the Existing Curriculum	The panel suggested that the practical content of networking, telecommunication and embedded systems courses should be strengthened. The department will collect course-wise suggestions from the members for the next curriculum review.	Head / Course Teachers
03	Industry Expectations and Skill Gaps	The panel observed gaps in hands-on network configuration, Linux administration and communication skills of graduates. The department will arrange workshops and training sessions with industry experts.	Faculty Members / IAP Members
04	Industrial Attachment / Internship	Members agreed to explore internship opportunities for ICE students in their organizations. The department will send formal placement request letters to industry partners.	ICE Office / IAP Members
05	Industrial Visit	It was agreed that at least one industrial visit will be arranged each semester to ISP, telecom and technology companies. The department will send visit permission letters in advance.	ICE Office / Course Teachers
06	Miscellaneous	The next meeting of the panel will be held in the Fall 2023 semester.	Head, Department of ICE

As there were no other issues to discuss, the Head declared the meeting closed with a vote of thanks to all members present.
