Daffodil International University

Department of Information and Communication Engineering

Proceedings of the 5th Meeting with the Industrial Advisory Panel

A meeting of the Department of Information and Communication Engineering with the members of the Industrial Advisory Panel was held as per the following schedule:

Date: 22nd February, 2025 (Saturday)
Time: 11.00 am
Venue: Conference Room, Department of ICE
Chair: Head, Department of ICE

The meeting commenced with a warm welcome from the Head of the Department, who thanked all industry experts for their valuable time and continuous support in strengthening academia-industry collaboration. The following agenda items were discussed in detail, and the corresponding decisions and responsibilities were recorded as follows:

Serial No.	Agenda	Decision	Responsible
01	Welcome of the Newly Included Members	The Head welcomed the newly included members of the panel from Summit Communications Ltd. and BRAC Bank PLC and briefed them on the Terms of Reference.	Head, Department of ICE
02	Confirmation of Previous Minutes and Action Taken	The minutes of the 4th meeting were confirmed. The formation of the Syllabus Modification Committee was reported as action taken.	Head, Department of ICE
03	Industry Input on the Syllabus Modification	The Syllabus Modification Committee presented the proposed revision. Panel members will provide written feedback through the curriculum review form.	Syllabus Modification Committee / IAP Members
04	Review of Existing Lab Equipment	The existing lab equipment will be reviewed by the Lab Equipment Review Committee, including external members, and a plan for purchasing new equipment will be prepared.	Head / Lab Equipment Review Committee
05	Industrial Visit, Industrial Attachments and Micro Credential Course	Industrial visits and attachments will continue with partner organizations. Micro credential courses will be arranged with the support of panel members.	Industrial Convener / IAP Members
06	Capstone Project	Industry co-supervision of capstone projects will continue. Selected projects will be showcased on Engineers Day (May 7, 2025).	Project Supervisors
07	Miscellaneous	The next meeting of the panel will be held in the Fall 2025 semester.	Head, Department of ICE

As there were no other issues to discuss, the Head declared the meeting closed with a vote of thanks to all members present.
